Voting Required

1. School ceilidh funding
 - a. Last year we funded the band, school is requesting the same for this year £430 for all kids to dance in a ceilidh
 - b. Email from Fun Fiddles who did the music:
 - c. It was great fun playing again , as ever for everyone at Towerbank. So many people I mention the TB ceilidhs to are full of envy at a day of dancing to live music – as very unusual for schools to prioritise that every year. And great organising – thank you for making it so smooth.
2. Han to replace Kerri as co-Chair with Gemma
3. P1/2 interactive whiteboards
 - a. The school needs 4 boards replaced as they are not working properly. They have had quotes for this work that are between £4000 and £6100.
 - b. They think the £6k quote is nearer to the actual cost ie £1500 per classroom.
 - c. Feedback when previously investigated was that the whiteboards add a lot of value to the school experience for the kids and teachers.
